Rihanna Reigns With Record-Extending Ninth No. 1

Rihanna registers her record-extending ninth No. 1 on Billboard's Nielsen BDS-based Mainstream Top 40 chart, as "We Found Love," featuring Calvin Harris, rises 3-1 in its ninth chart week. The coronation marks Rihanna's fastest as a lead artist. She'd topped the tally more quickly only as a featured vocalist on Eminem's "Love the Way You Lie," which reached the summit in its seventh week last year.

With her ninth leading song, Rihanna widens her lead over runners-up Lady Gaga, Katy Perry and Plnk, each with seven. Rihanna first ruled the chart with "SOS" the week of May 13, 2006. She banked three toppers in 2008: "Take a Bow," "Disturbia" and T.I.'s "Live Your Life," on which she guested; three last year: "Rude Boy," "Lie" and "Only Girl (In the World)"; and "S&M" this April.

As "Found" tops Mainstream Top 40, follow-up "You Da One" rebounds 30-23 after debuting at No. 26 two weeks ago. As re-

ported in the Nov. 24 Billboard Top 40 Update, the song's first-week activity was aided by nearly all of Clear Channel's top 40 stations having played it on Nov. 11 at the top of every hour as part of the chain's push to publicize Rihanna's new album, *Talk That Talk*.

'TALK' TALK: Despite a No. 1 in "Found" and a fast-rising second single, *Talk*

That Talk might not top this week's Billboard 200, thus preventing Rihanna from notching her first No. 1 on the survey. While industry sources have predicted robust opening-week sales of 200,000 for the set, Michael Bubl 's *Christmas* is on course to sell 250,000-270,000 copies, with Nickelback's *Here and Now* possibly arriving with 225,000-250,000. Check the next Billboard Top 40 Update, in your e-mail inbox Thursday, for the week's final Nielsen SoundScan tallies.

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 141, 71 and 83 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Mainstream Top 40 audience totals are derived, in part, using certain Arbitron Inc. copyrighted Persons 6+ audience estimates (under license © 2011, Arbitron Inc.) Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented is this update is preliminary and subject to change, pending final review by Billboard and BDS.
